22. – 25. April 2016 in Vienna

#### AUTHENTIC FENG SHUI from a Chinese Master

In this Masterclass with Howard Choy we study the Feng Shui and Design of a modern office. We bring together the views of the entrepreneur and the office staff. The environment affects efficiency & productivity and decides on a successful career and a thriving business. We help to create an ideal and welcoming atmosphere, in order to support the employer and employees.

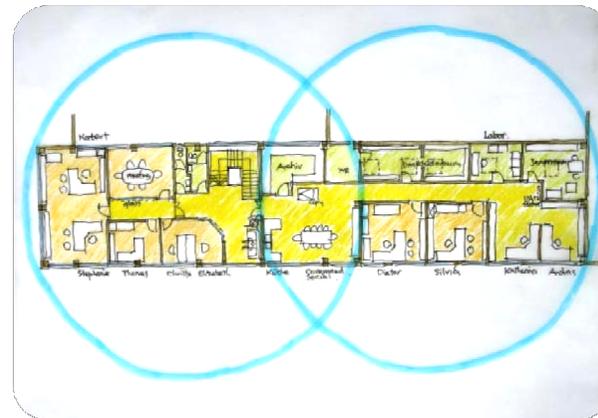

We will look at the external and internal factors, including the following items and more:

- 1) Building shape and location of main entry door.
- 2) Internal door openings and passageways.
- 3) Qi flow and qi containment within the office.
- 4) Internal and external visibility.
- 5) Private v Public spaces.
- 6) Office and desks orientations.
- 7) Centre v Heart v Taiji of an office.
- 8) "Ju Qi" and "Ju Qing" (Assembled Qi and Assembled Affection)
- 9) Office structure and group dynamics.
- 10) Possible synergies.
- 11) The "Benxing" (the Original Characters) of an office.
- 12) Layers for San Cai (Heaven, Earth and Human)

We will begin the workshop with a brief introduction on the subject; followed by a on site visit of our job sample and interview our clients and work on the Feng Shui analysis using the San Cai methodology for Feng Shui analysis and planning. During the workshop we will teach how different layers of Feng Shui are influencing the environment and the people working there and shall arrive at a set of suggestions that are optimal and of the same time suitable for individual requirements. We will use both the Form and Compass School methods; therefore some knowledge of Feng Shui basics is desirable.

This Masterclass provides an unique opportunity to observe up close and learn from an experienced teacher, the intricacies and "craftsmanship" in the application of classical Kanyu Feng Shui. You can look forward to a demanding and hands-on workshop with a pleasant atmosphere of a small size study group, up to a maximum of 14 participants. All teaching will be done in English with German translation and at the end of the workshop you will receive a Certificate of Attendance from the European College of Feng Shui (ECOFS).
